

November 7, 2021

Dear Church Family,

This year we have found ourselves being led out of that challenging year of 2020 and moving toward more familiar ways of worshiping and interacting. We have taken some big steps forward with improving our online worship and outreach, hiring of Christy McChesney, and our pulling off another successful neighborhood yard sale!

Now we are following God's lead into 2022! While we feel so blessed as a church, each year we face challenges that bring us back to trusting God's provision for our church. Repeatedly and especially this year, we are so thankful for and blessed by faithful contributions from our church family and friends!

Our vision question and theme for following God's direction is ***"Who are we becoming?"*** As we enter this new year we want to continue being good stewards of all God has blessed us with, moving forward in faith as we trust and follow God's guidance and direction. In October and continuing into November, we are hearing stories of what has brought people to our church family, what our fellowship means to people, and where we believe we're being led.

Please consider how you can support our mission and ministries through your gifts of your financial support and your time\talents!

We are asking you to be a part of *"Who we are Becoming" in 2022* by prayerfully renewing or increasing your pledge, or making a pledge for the first time.

Instructions and a commitment form are on the second page of this letter. With your contributions of your time and talents, we will move forward faithfully in 2022.

On behalf of the Session in Christian love,
